

# NYX

NYX IPX-32P IQ2

THINKING  
AI SERIES

## Features

32ch 4K PoE NVR supporting Facial and License Plate recognition. Internal searchable 10000 entry database - no external server or software required.  
8 Hdd Bays

6ch fast face recognition with AI Cameras  
2ch face recognition with non AI Cameras  
2 x HDMI ports  
2 x Gb Ethernet ports

The system is highly customisable to meet your needs.

16 PoE Plug & Play IP Camera ports for easy connectivity, simultaneous 16ch playback, and 4K high definition display output.

Easy to use, intuitive user interface with time saving analytical search functions.

## Specifications

|                     |                       |  |
|---------------------|-----------------------|--|
| System              | Compression           | H.265S/H.265+/H.265/H.264  |
|                     | Operating System      | Embedded Linux   |
|                     | Performance           | Pentaplex: preview, record, playback, backup and remote access                               |
| Video               | Network Input         | 32 Channel IPC input   |
|                     | Global Bitrate        | 192Mbps/192Mbps  |
|                     | Input Resolution      | 8MP / 8MP / 5MP / 4MP / 3MP / 1080P / 960P / 720P @25 / 30fps                                |
| Audio               | Output                | HDMI x2: 4K (#1), 1080P, 1280x1024 / VGA x1: 1080P, 1280x1024                                |
|                     | Network Input         | 32 Channel IPC audio input   |
|                     | 2-way Audio           | RCA x1   |
| Record              | Local Output          | RCA x1   |
|                     | Record Stream         | Dual Stream recording  |
|                     | Resolution            | 8MP / 5MP / 4MP / 3MP / 1080P / 960P / 720P  |
| Playback            | Mode                  | Manual, Timer, Motion, Sensor  |
|                     | Playback              | Max 16 Channel Simultaneous  |
|                     | Search                | Time Slice / Time / Event / Sensor / POS   |
| Alarm               | Function              | Play, pause, FF, FB, digital zoom  |
|                     | Mode                  | Manual, Sensor, Motion, Exception  |
|                     | Input                 | 16 Channel local alarm input, support IPC alarm input  |
| Target Database     | Output                | 4 Channel  |
|                     | Triggering            | Record, Snap, Email, Preset  |
|                     | Capacity              | 16 libraries, 10000 entries  |
| Network             | Computing speed       | 240 images / minute  |
|                     | Search Options        | Face image, license plate text, name   |
|                     | Face image adding     | Local playback & search, APP, USB, NVMS platform   |
| POS                 | External image import | JPEG up to 1920x1080 <200KB  |
|                     | Database match rules  | Allow, Block   |
|                     | Database management   | Add, modify, delete, search, import, export  |
| Smartphone          | Interface             | RJ45 x2 : 10/100/1000 Mbps   |
|                     | PoE Port              | RJ45 x16   |
|                     | Supported Protocols   | TCP/IP, IPv4, IPv6, DHCP, DNS, DDNS, UPnP, NTP, SMTP, SSL/TLS, PPPoE, 802.1x, NAT, FTP, SNMP |
| Storage             | Remote Access         | Max 10 users online  |
|                     | 16 Channel Support    | Optima, Haley, SAM4S, AVE  |
|                     | Platform              | iOS, Android   |
| Ports               | HDD                   | SATA x8, e-SATA x1 : Max 10TB per HDD  |
|                     | Backup                | USB Flashdrive, USB mobile HDD, Network  |
|                     | USB                   | USB 2.0 x1 (front panel), USB 3.0 x1 (rear panel)  |
| Other               | Accessories           | Mouse, Remote Control, Rack Mount Hardware   |
|                     | Cooling Fan           | Single   |
|                     | Power Consumption     | ≤ 30W (without HDD) 240V   |
| Working Environment | Dimensions (mm)       | 445(W) x 436(D) x 90(H)  |
|                     |                       | -10°C ~ 50°C 10% ~ 90% humidity  |

Product specifications and appearance subject to change without notice

\*\* Push notifications and remote viewing are reliant on broadband connectivity provided by 3rd party infrastructure which at times may be limited by network congestion or ISP restrictions. For mobile app connectivity, a reliable Internet service with over 1Mbps upload speed is recommended at the recorder. Some ISPs restrict or limit some activity within their router/modems or network, which may impact or deny access to the mobile app service. No guarantee or responsibility is accepted for connection problems based on 3rd party equipment or ISP performance.

### Facial Recognition

10000 entry internal database can be configured with multiple categories for easy management. Quickly search for people in your database for easy video retrieval.

Be alerted by matches from your custom

BLACKLIST & WHITELIST

### License Plate Recognition

OCR functionality with NYX ANPR cameras allows you to catalogue and search by license plate data from the internal database.

Create custom BLOCK & ALLOW lists for alerts.

ABC-123

### People & Vehicle Detection

When used with compatible cameras, this advanced AI feature can detect people and vehicles allowing you to quickly search footage or be alerted via Push Notifications.

### Time-Slice Search

The fastest method of finding video footage. Simply click on any thumbnail image to start instant playback. Find what you're looking for in seconds - not hours!

### Push Notifications

Have your NVR alert you to intrusions or events by pushing notifications straight to your smartphone. Playback the event within seconds for peace-of-mind and quick response!\*\*
